

PARISH STATISTICAL DATA REPORT - 2016

Below are the most relevant statistics for the year ending December 31, 2016.

The task of keeping track of parishioners who attend St. Mike's is an ongoing process. As of December 31, 2016, St. Michael & All Angels had 127 families on our parish list.

I would ask anyone changing their address, phone number or email address, or anyone adding a member to their family; please pass this information on to the Parish Office or to one of the Wardens as quickly as possible so that our records are current. I would add that our records of birth dates, baptism dates and wedding anniversary dates is far from complete. Remember, we are not interested in your age! We record only the day and month of the event and publish this in the bulletin for prayers.

The following is a record of our registers for the 2016.

1 BAPTISM July 24th - Brooklyn Cannon Lewis

2 MEMORIAL SERVICES - October 15th - Thelma Young and November 26th - Dane Wray
