

PASTORAL CARE MINISTRY

The Pastoral Care Ministry is primarily a listening ministry. Our committee members are:

Rev. Michelle Eason, Dale McCall, Annette Bouman, Barbara Clarke, Maureen Firth & Joyce Laurence. Gloria Giroux has decided to step down. We meet approximately every 3 months. I would like to thank all the committee members who are devoted to this caring ministry while sharing Jesus' love. We are always looking for more volunteers & committee members.

Members of the parish (St. Mike's Angels) kindly volunteer whether it be listening, by home or hospital visiting, bringing meals, shopping, cleaning or a drive to an appointment close by or downtown. This past year there have been requests for all of these. You can call the Church office @ 514-626-4205 or Dale McCall @ 514-696-8179 for requests or information.

The Pastoral Care Ministry calls the families on the family cycle of prayer list before they appear in the Sunday bulletin to ask if there are any prayer requests. Cards are sent acknowledging 1st anniversaries, baptisms, births, confirmations, deaths & weddings.

Pastoral Care is mainly a listening ministry. We learn through Christ & each other how to be better listeners. 2 of us were able to attend a Pastoral Care Retreat on May 28th/16 @ L'Hermitage St. Croix on Gouin Blvd. led by Bishop Mary.

"Each one, as a good manager of God's different gifts, must use for the good of others the special gift he has received from God." 1Peter 4:10

Respectfully submitted,

Dale McCall
